**RE: Wilmington, Delaware City Council
Ceremony Honoring Manual Rivas Diaz,
Member of the 65th Infantry Regiment
On November 19, 2015**

Dear Mr. Medina:

Thank you very much for your assistance in ensuring that we received the information about the 65th Infantry. As you know, the ceremony honoring Mr. Diaz was a wonderful event for an unsung hero and the 65th Infantry Regiment which is only recently getting the recognition it should have received long ago.

Enclosed are two flash drives with pictures of the event and a copy of the resolution awarded to Mr. Diaz to be included as part of the archives of the 65th Infantry Regiment. If you have any questions about anything related to the ceremony, please feel free to contact me. You can reach me by telephone at (302) 576-2143.

Please keep us informed about other accolades received by the 65th Infantry Regiment. Again, thanks for all of your help.

Sincerely,

Joe F. Garcia
